PREACHING PASTOR: \_\_\_\_\_ WORSHIP TIME: \_\_\_\_\_

*Today's Preaching Text* is: \_\_\_\_\_

**Instructions:** After worship today, spend some time one-on-one with your parent/guardian discussing your experience in worship. First re-read the passage out loud that the pastor preached from (if the service was at Incarnation, you can use the bulletin), then use *some* of the suggested questions below to guide your 20-30 minute conversation. Questions should be asked and answered by both the confirmand and the adult. (Since this will take more time than a regular Worship Reflection Sheet, it will be worth **two** worship reflection sheets.)

**Possible Discussion Questions**

1. *How did you experience God today?*
2. *How would you summarize the sermon this morning?*
3. *Was there anything said, or experienced, that convicted you?*
4. *Is there something that you wish the preaching pastor would have addressed but didn't based on the text preached?*

In the space below, or on the back of this sheet, please write one or two paragraphs sharing your discussion, then have your parent/guardian sign below.
