Overview of the initiative/program for proposed funding:

Describe the need, vision and purpose of the initiative. Include project timeline or agenda, as well as the number of people involved in carrying it out—including how many, and who, from Incarnation are involved and in what roles. Also include the amount of funding you are seeking and specifically what it will be used for.

Explain why this initiative is needed in the community and the ties it has with Incarnation's mission, vision and values.

Describe the grant's importance to the overall initiative. Relay the significance of the grant to the project's success, including how much of your budget the grant will cover, as well as other known funding sources.

Provide information about your marketing/outreach efforts and the plan to promote your initiative.

Describe the impact of your program, stating who will be served and the potential this has to make their lives better.

Summarize expected results and how you will be able to measure the initiative's success.

[Include any supplemental materials that add to the understanding and scope of your initiative. Reference any materials you are attaching here.]
