*Ask someone in the group to read the blessing while you view the illumination. Reread the blessing a second time.*

- What words or phrases stand out to you?
- What do you think is the significance of each phrase starting with "The Lord..."
- What parts of the artwork behind the words speak to you today? What do you notice?
- How do you think the artwork and text support or connect with one another?
- What would you have included in the artwork to enhance the text?
