June 2024

From the Pastor

Pastor Kai Nilsen

At a recent pastor's conference, the topic of the inner journey was touched on by one of the speakers, so I took it upon myself to make that an informal topic of conversation with the other pastors for the rest of the conference. "Describe your inner journey. What experiences do you seek? What practices do you pursue?"

The responses ranged from quizzical looks to taking my day off each week to reading good books to self-care to "I can't say I have much of an inner journey." Were these pastors "productive"? From what I know, yes. Could they list multiple acts of service they were involved in? For sure. But, the concept of the inner journey was a bit elusive for many.

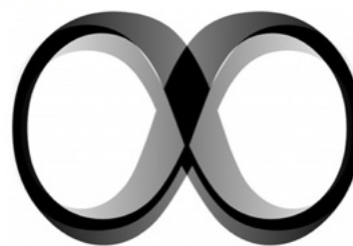

As we are building our three-year plan, the two core pillars are reflections of the inward journey (Deepening Faith) and the outward journey (Serving and Transforming Community). As a reminder, the inward journey consists of practices and experiences that allow us to discover how deeply we are loved by God. The outward journey is discovering how God is asking us to help co-create a better, more loving world.

The inward journey, alone, can become deeply selfish. The outward journey, alone, can become a breeding ground for self-righteousness (no one serves like I do) or judgment of others or burnout. We need the energy and assurance of the inward journey so we can be strengthened and encouraged for the outward journey.

This summer, as we search for a Pastor for Adult Formation, we will be looking for someone who takes the inward/outward journey seriously in their own life and

someone who wants to invite this community, across all ages, into a deeper experience of God's presence and life. The same will be true in our search for a Faith Formation Leader for Children's Ministry.

INWARD

OUTWARD

So, here's the invitation:

- Pay attention to and develop more fully your own inward/outward journey practices.
- Keep praying for those new leaders to emerge who will lead us in years to come and for the teams who will make the decisions.
- If you have time, ask, "How can I help in this time of transition?"

Peace, Kai

Tracy Strantz  
Council President

One of the 2024 priorities for the Congregation Council is to regularly engage with congregation members, staff, and committees

in open and transparent discussion forums. We intend to host a minimum of quarterly congregation discussion forums with ad hoc events on targeted topics scheduled periodically.

We engaged with many of you during our first quarter discussion forum in February ahead of our annual meeting. Our second quarter forum took place Sunday,

May 19. We want to thank those of you who were able to join us. We appreciate your comments and questions! For those of you who couldn't join us, we are sharing the presentation materials for your reference: [Quarter 2 2024 Discussion Forum](#).

Please mark your calendars for these upcoming forums:

### **Sunday, June 2:**

We are offering a forum to hear from our Solar Committee on their exploration of solar power possibilities for Incarnation, and our Facilities Committee who will share how we are moving forward with our roof replacement project.

### **Sunday, August 11:**

We're already planning ahead for our Quarter three forum

Both events will be held from 10:15–11:15 a.m. in the Fireside Room.

As a reminder, you may also connect with us through email at [council@incarnationmn.org](mailto:council@incarnationmn.org) or come visit us in person after Sunday worship services. You will find a Council member at our mobile Welcome Kiosk which will be stationed either by Bethany Lounge or near the entrance to the church office, depending on what's going on in the Atrium any given Sunday.

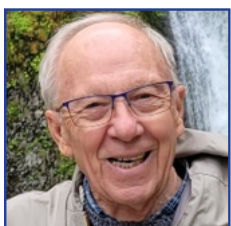

## Former Incarnation Pastors Return This Summer!

Over the summer months, three former Incarnation pastors will be preaching each month in June, July, and August. Mark your calendars and spread the word so that people will know that some of their beloved pastors will be back sharing the good news with our community.

Rev. Gary Anderson: June 16

Rev. Luther Dale: July 21

Rev. Lynda Thompson: August 18

Rev. Gary Anderson

**Gary Anderson** served as Incarnation's senior pastor from 1993-2004. Since leaving Incarnation,

Gary has served at Luther Seminary and the St. Paul Area Synod. He has served on the Board of Trustees at Gustavus Adolphus College, his

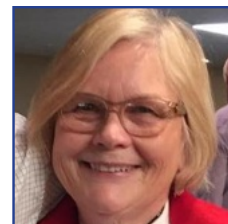

alma mater and the board of the Lakeshore Players in White Bear Lake. Gary and Mary Ann enjoy time with their family, traveling, leading book clubs at Incarnation and summers at their cabin.

Rev. Luther Dale

Since leaving Incarnation, he has been very involved in environmental work with both the state and national Sierra Club. Luther and Roberta spend time in St. Peter with their two children and five grandchildren in their many activities. He enjoys biking, walking and reading, especially good mystery novels. Luther continues to cherish his Incarnation membership.

**Luther Dale** served as associate pastor at Incarnation from 1998 to 2014. Since leaving Incarnation,

Rev. Lynda Thompson

**Lynda Thompson** served at Incarnation from 2002 to 2016. In retirement, she moved to

Edina to be nearer to her daughter and her family. Lynda is a member of Edina Community Lutheran Church and is currently serving as the liaison to Redeemer Lutheran Church in North Minneapolis. Lynda has led many trips to Tanzania with the St. Paul Area Synod, and now serves on the SPAS Iringa Committee and chairs the Scholarship and Education Working Group. She continues to travel, most recently to Cuba and the Southern U.S. on a Civil Rights Educational Trip.

# Thank-You from Director of Children and Family Ministry, Rebecca Christiansen

Rebecca Christiansen  
Director of  
Children and  
Family Ministry

It only seems appropriate to start with the kids, some of whom are youth and young adults now. Thank you! ILC Kids and parents, you have allowed me to be part of your faith journey at Incarnation for the last 13 years. I have enjoyed every minute of worshipping God with our songs led by Sharon, Julie, and Carol, serving alongside you in various ways, and reading and learning more about God through His word. I felt honored to be part of the milestones you attended as we strived to fulfill the baptismal promises we made with your parents to help you grow in your relationship with God. We have played fun games, created crafts, and grew in our relationships with one another. I hold close the memories I had at the Bible camps we were part of each summer, Vacation Bible School, Art Camps, LEGO Camps, Club 4/5 outside during COVID, and so much more. I have enjoyed creating memorable events for your family to be part of Evening in Bethlehem and fun fall events either at the Apple Orchard or right here at Incarnation's parking lot for Trunk or Treat/Fall Festival.

Thank you to all the leaders who have walked alongside the kids and led them in their faith journey either on Sunday mornings, Wednesday evenings, or during summer ministries that we offered. Your unwavering dedication and commitment to Children's Ministry has been the backbone of its success. Incarnation is truly blessed to have leaders in ILC Kids who have served every year for as long as I have been at Incarnation. Your service is not just a testament to your faith and commitment, but also a source of inspiration for all of us. Well done, good and faithful servants (you know who you are!).

To the countless volunteers who have served behind the scenes, each of you has played a unique and crucial role in making our community vibrant and welcoming. Whether you were bin fillers, quilters, woodworkers, library leaders, busy bag fillers, part of the safety and security team, hospitality, or provided technology support, your contributions have not gone unnoticed. Each of you has left an indelible mark on our community, and for that, we are truly grateful. Thank you for

your selfless service (and I apologize if I missed someone – your efforts are truly appreciated)!

To my wonderful colleagues (past and present), including the Nursery Team, thank you for your care and support. You are a fantastic group of leaders to serve alongside, and I have valued the friendships formed over the last 13 years.

Finally, thank you, Incarnation, for the beautiful blessing during worship, the numerous cards, and the kind words spoken through texts, emails, and in-person. These messages will stay with me for a very long time. I have felt loved and cared for by you all.

Save Money, Save the Planet—  
Purchase Refurbished Electronics

April 22 we celebrated Earth Day. Encouragingly, this is now the largest civic event in the world, with billions of people participating in Earth Day activities and calling for solutions to our planet's problems.

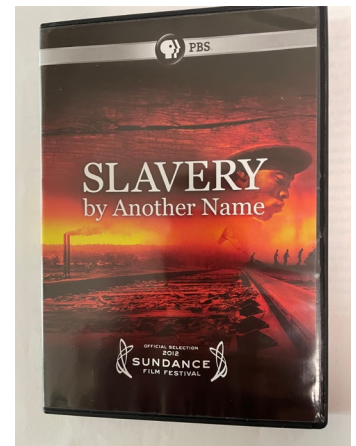

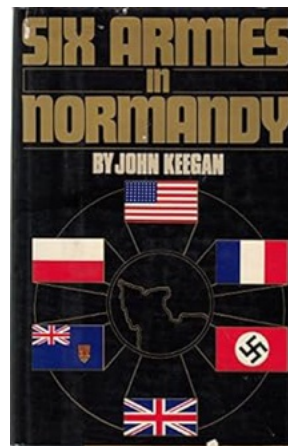

One of those problems is e-waste. We generate over 60 million tons a year and only about a quarter of it is recycled. The rest is dumped in landfills, legal and not, where it leeches heavy metals and other toxics into the ground, the groundwater and often into nearby crops.

Want to be part of the solution? Here's one way to help. Next time you're buying a new electronic device, buy refurbished. We know. Refurbished? Like, used? No, actually, not like used. Refurbished electronics are not what they were. These days, they're virtually the same as new. They're reliable, affordable and available direct from manufacturers like Apple, Samsung, Bose, and Microsoft.

Preschool Position Available

Incarnation Preschool is seeking a qualified candidate to fill an Assistant Teacher role for the upcoming school year. The part time position is on Tuesdays and Thursdays from 8:15 a.m.-1:45 p.m. Additional hours are required throughout the school year for meetings, trainings, prep work, orientation, and school events. Substituting hours are also available if interested. For more information and job descriptions, contact [Kirsten Henry](mailto:Kirsten.Henry@incarnationmn.org) or 651-766-0723.

The Men's History Book Group meets the first and 3rd Tuesdays in Bethany Lounge at 9 am. Even if you have not read the book for that month, you are welcome to participate in the discussion if the topic is of interest to you. The book for June is *Six Armies in Normandy* by John Keegan. The stories of the armies of six countries in Normandy from D-Day to the liberation of Paris. The July meeting will be on Tuesday, July 9, and will be video and discussion of the DVD, *Slavery by Another Name* from the PBS library.

Position Available

Director of Children & Family Ministry

Incarnation Lutheran Church seeks a visionary Director of Children and Family Ministry to join our leadership team. You'll provide dynamic leadership and creative visioning to our children and family ministries; creating a safe space and excellent curriculum that nurtures the long-term faith of children from birth through 5th grade. This full-time position offers a competitive salary and comprehensive medical and retirement benefits as well as a generous vacation and sick policy. If you have three to five years of experience in children's education and/or children's ministry, preferably in a large church environment, please send a letter of application and your resume to Danette Griffith at [dgriffith@incarnationmn.org](mailto:dgriffith@incarnationmn.org). Deadline for application is June 20, 2024.

Amy Maakestad  
Director of  
Traditional Worship

“Hallelujah!  
We sing your  
praises. All our  
hearts are filled  
with gladness.”  
The words  
to this South  
African song  
perfectly sum  
up our year in

the music department. There is so much to celebrate!

We launched the Incarnation Music Series in October and hosted four very different concerts: Jack Brass Band, Twin Cities Bronze Handbell Ensemble, an organ concert for the 25th anniversary of our pipe organ and Known MPLS. Almost 800 people attended these events. Thank you for bringing your friends! We have an amazing and diverse line

up of musicians next season, so stay tuned for more details.

We also launched two new handbell ensembles, Grace Notes for grades 1-5, and Prime Chimers, a non-performing group. Along with the already-existing Bells of Praise (grades 5-12) and Alleluia Ringers (adults and experienced high school ringers), we had over 40 people ringing handbells and handchimes this year. That brings me joy! I hope you were able to hear three of our ensembles ringing “Jesus Loves Me” together on Mother’s Day. It was beautiful.

Due to high parental demand, we were able to successfully relaunch our children’s choir, Joyful Noise, under the direction of Kathleen Johnson. She will tell you more about their year, and I will add that

having a children’s choir leading in worship again was a delight.

In 2022, children began attending the first part of worship along with their caregivers. The Worship Planning Team identified 12 hymns as essential to the faith journey, and we intentionally sang those 12 hymns each week for a year. We continue to add new hymns to this list and are now up to 28! Singing together is so important in fostering unity, congregational engagement, and shared experiences in worship. These hymns also connect us to our history and reinforce teachings and stories of the faith. Thank you for singing!

—Amy Maakestad  
Director of Traditional Worship

The Joyful Noise Children's Choir has had a great first year of rehearsing together on Wednesdays and singing in worship about once a month (including Thanksgiving, Palm Sunday, and Mother's Day). One highlight of our year was singing with the Senior Choir on two occasions.

I love the children's enthusiasm and joyful voices as we share our gift of music with others in the congregation! Thank you for all of your positive feedback. Since we started in the middle of September, the choir has grown to 20 first through 5th graders who love to sing together. The children have been learning to read simple chorale music, to use good breathing techniques when singing, and to blend together when singing. They have also developed friendships along the way. I invite all first through fifth grade boys and girls to come sing with us in September as we begin our second year of making "joyful noise" together!

—Kathleen Johnson  
Joyful Noise Children's Director

### Fire and Ashes: A Boy and an African Proverb By: Ahmed Hassan and Wes Erwin

The cover alone of this book will draw you in! Why is that young boy blowing the feather? Where will it go and will he follow? The illustrations of the Somali family and Warfu's struggle to find himself in a new place and a new school are beautiful and compelling. His story is like that of many immigrant children; our schools, communities, and country are their homes now and we are called to understand their challenges and adjustments.

This title is the first in a planned series of children's books that will focus on mental health and self-care by featuring the wisdom found in African proverbs. Proverbs are handed down for generations and help children understand in often very visual ways. Here Warfu makes choices, takes action, and overcomes his challenges.

The co-authors, Ahmed Hassan and Wes Erwin, are both counselors who work with immigrants and refugees. Both live in Shoreview — and might be your neighbors or your scout leaders!

## Preschool Book Drive Total

---

Thanks to the generosity of Preschool families and the congregation, we were able to donate 940 books to [The Free Book Buggie!](#) Thank you for helping get books into the hands of children and youth across Minnesota!

For five days in April, Incarnation hosted more than 2,200 volunteers during our All Hands on Hope MobilePack™. During that time, we achieved our goal of packing 614,304 meals to feed 1,683 of God's hungry kids one meal per day for a year. We also had a goal of raising \$180,000 to pay for the meals we packed, and as of April 30, we have raised over \$202,000! We will use any financial overages to partially replenish seed money for our next MobilePack™.

One of the best things about the MobilePack is how many people we welcomed into our church building. Overall, 62% of the volunteers came from outside Incarnation's community. On Saturday's full shifts, a whopping 80% of volunteers were from outside Incarnation's walls. We are truly blessed to have welcomed so many people from different groups into our facility as we share the common goal to feed God's hungry children.

Examples of groups we hosted include area churches including Catholic, Hmong, Mormon and other denominations, as well as sports teams, Rotary, Kiwanis, local businesses, engineering students from the University of Minnesota, scout troops, senior living communities, retired teachers organizations, and National Honor Society students.

One volunteer, Ywahay Say, first heard about the All Hands on Hope MobilePack™ via our social media channels. She volunteered at the 2023 MobilePack™ and returned

this year, bringing a group of 16 young people from the Karen (pronounced Kuh-Ren) Christian Fellowship Church. She is from the country of Myanmar (formerly Burma), and her family moved to the United States in 2015 due to the persecution of the Myanmar military. Prior to that, her family lived in a refugee camp in Thailand

for 10 years. Myanmar is one of the countries which [Feed My Starving Children](#) serves, often shipping meals to bordering Thailand and then delivering into Myanmar.

According to the International Rescue Committee (IRC),

“Myanmar has endured prolonged conflict for decades, predominantly in rural regions, pitting government forces against nonstate armed groups primarily organized along ethnic lines. The convergence of escalating poverty, movement restrictions, inflation, disruption of markets, climate shocks, and conflict has plunged 15.2 million individuals in Myanmar into varying degrees of food insecurity, ranging from moderate to severe.”

Ywahay said, “While I was packing (meals), my heart and thoughts were going to people who will receive the food. I was not sure which area of Myanmar the food will go to, I believe the children there will receive it. Working alongside our youth and seeing their eagerness to contribute was truly heartwarming and it was a remarkable experience.”

Thank you to everyone who made this incredible event possible. We are already looking forward to the 2025 All Hands on Hope MobilePack™, scheduled for April 30 – May 4, 2025!
