INFORMAL MINISTRY PARTNER: HOLY HAMMERS COALITION

Incarnation partners informally with Habitat for Humanity through the Holy Hammers, a coalition of area churches dedicated to eliminating poverty housing and homelessness.

## OUR PARTNERSHIP HISTORY

Habitat for Humanity was founded in 1976 with the mission of eliminating poverty housing and homelessness. That is an ambitious goal, and Incarnation has been supporting this dream since 1991, when the congregation constructed its very first Habitat home.

In 1999, Incarnation joined forces with several area churches to form the **Holy Hammers** coalition. This collaborative group has grown to pool volunteer power and financial backing, significantly multiplying the impact area churches can make together.

## COALITION IMPACT & MILESTONES

Today, the Holy Hammers coalition comprises a dedicated network of faith communities achieving remarkable milestones in affordable housing construction:
